Dear All,

This is my final contribution to the Parish newsletter before Holy Week, so please read it carefully, especially in respect of Masses and Services during that most sacred time, leading into Easter.

The Sacred Triduum begins with Mass of the Lord's Supper on Thursday 17th April and culminates with the Easter Vigil on Saturday evening 19th April, which ushers in the celebration of the Resurrection of the Lord. All Catholics are encouraged to attend all the Liturgical Celebrations of Holy week as one event if possible. The Vigil leads into the First Mass of Easter.

Note: Easter Mass arrangements for our Parish are detailed in a separate section later in this Newsletter

A Final Push!

During the Octave of Easter, those days following Easter Sunday, on Friday 25th April the Assisted Suicide Bill has its third reading in Parliament. Should it pass this reading, it will probably become law. Many MP's and medical professionals believe it does not contain the safeguards promised when it was introduced i.e. to protect the vulnerable, disabled and others, and is worse than expected compared with its First Reading.

Not Dead Yet UK, a network of disabled and terminally ill people, are asking us to send the cards available in our churches to our MP's, asking them to vote against the Bill. Full details are in both our churches on the notice boards, and cards are available for you to sign and post to our local MPs. Please do so as soon as possible. Thank you to all in the parish who have responded so well in the previously, sending cards and signing the recent petition.

In addition, the Diocese has asked us to advertise the following event: **Assisted Dying Bill: Faith Reflections - 22nd April 2025** organised by Southampton Council of Faiths. For more details and to book click the link: <https://tinyurl.com/mzv9xa9f>

Haley, Ola and Maria's experiences from the Jubilee Pilgrimage

Our thanks to these young members of our Parish for the following interesting account of their visit to Assisi and Rome, as part of the Bishop Challoner school pilgrimage, led by teachers and Father John Lee. I asked them to put together this reflection for our Newsletter upon their return and it brought back memories of my Jubilee visit 25 years ago!:

Between the 22nd- 26th March, we had the opportunity to explore Rome and Assisi and visit many places which helped to deepen our understanding of the worldwide Catholic faith. In Assisi, we visited the Basilica of Saint Francis and the shrine of Blessed Carlo Acutis. The stories of these role models were inspiring, especially the one of Carlo Acutis which is an example for the younger generation.

In Rome, we visited the Sistine Chapel and we saw the beautiful frescos, which allowed us to reflect on the dedication and time that people are willing to give, to allow others to visualise scenes from the Bible. We especially enjoyed seeing the Creation of Adam and Last Judgement frescos as we study them in RE.

We also made a pilgrimage to the Holy Door of Saint Peter's Basilica which allowed us to be truly grateful for the opportunity to be a Pilgrim of Hope and to acknowledge all those who had been there during previous Jubilee years.

Another impressive place which we visited was the Basilica of Saint Paul Outside the Walls which was built over his burial place. Above the arches in the Church, there were paintings of every Pope that had ever guided the people as the head of the Church on Earth. This allowed us to comprehend how long the Catholic faith has existed and how the tradition of apostolic succession has continued since Peter was given the keys to Heaven.

Finally, we also enjoyed the tour around the Basilica of Saint Mary Major which still houses the remains of Jesus' manger. This place inspired us to be open to God's will like Mary was at the Annunciation.

This trip was not only a time for spiritual growth but also a time where many of us built new friendships with people from different year groups. Also, it allowed us to experience God's work in our lives through the miracle that allowed us to successfully arrive in Italy, despite the setback caused by the issues at Heathrow. We thank everyone who prayed for our Pilgrimage and hope that this Jubilee year of Hope will also be a special one for you.

Letter concerning Basingstoke Pastoral Area becoming one Parish in a couple of years

Father John Lee, our Coordinating Pastor for the Basingstoke Pastoral Area, has sent this to our local Parishes and it is attached to this Newsletter.

This Saturday, it had been planned to have a major meeting at Saint Bede's church to address the recent visit of Bishop Philip and others to the Area, to forward the establishment of one Parish.

Sadly, Father John was diagnosed with COVID on Friday and has been required to isolate for 10 days following hospital treatment in Basingstoke. Please keep him in your prayers, especially at this time of preparation for the Death and Resurrection of the Lord.

My thanks to those parishioners from Tadley and Burghfield Common who had agreed to attend. The meeting will be rearranged after Easter.

New Chief Executive Officer needed for Secular Clergy Common Fund

Parishioners may be interested in the advert below as many of you know I am the Portsmouth Administrator of this Fund, which covers also the Archdioceses of Westminster and Southwark, and the Dioceses of Arundel and Brighton and Brentwood. I take this opportunity to thank Angela Rowe, who's now retiring, for her excellent administrative work and concern for so many sick and retired clergy:

The Secular Clergy Common Fund ('Big M') is looking to appoint a new CEO. It makes grants to our sick and retired priests and looks after two Catholic cemeteries in London.

The role is 0.6FTE and offers flexible working and a salary of £50k-£60k pro rata. For further details contact Angela Rowe secretary@secularclergy.org.uk Closing date 28th April 2025.

In Prayer

Please keep in your prayers Barry Rockhill of our Burghfield Common community and a member of our Parish Finance Committee, who is unwell at this time. He has contributed significantly to the Parish over the last few years, always being available to cover issues at Saint Oswald's church if Dan or I were unavailable. Also, we keep Peg, his wife in our prayers at this difficult time.

LETTER FROM FR. JOHN LEE – Basingstoke Pastoral Area Coordinator

Tuesday, April 1, 2025

Dear Friends

Journeying together, becoming one in mind, heart and vision

My prayerful best wishes to one and all for this holy season of Lent.

In these days we share the company of Our Lady and the disciples journeying towards Jerusalem with Our Lord. In a few days' time we will recall again the saving events of Our Lord's mission and ministry culminating with the triumphal entry into Jerusalem; the betrayal; the institution of the Eucharist at the Last Supper; the washing of the feet; the suffering, death and resurrection of Jesus. Always a momentous, sacred journey and one that involves each one of us.

With this message I want to announce to you that we have begun to implement our Local Mission Plan for Basingstoke Pastoral Area. The plan is entitled *Journeying together, becoming one in mind, heart and vision*. Our Local Mission Plan (LMP) is closely aligned with the Diocesan Mission Plan *You Will Be My Witnesses*. Bishop Philip Egan has directed each Pastoral Area to produce plans promoting personal renewal, conversion and a new energy for evangelization and the making of disciples. The communities that make up our Pastoral Area – Holy Ghost & St Bede's, Basingstoke; St Joseph's, Basingstoke; Sacred Heart, Hook; St Michael's, Tadley and St Oswald's Burghfield Common – will in time merge to become a new Parish with a new name. The new name will be decided on in time following a process of consultation with the clergy and laity of our Pastoral Area.

I want to assure everyone that the word 'merge' is not one to be feared. As Bishop Philip has said: 'Its easy to change the structures, and structural change is one part of the plan. But *You Will Be My Witnesses*' is about the hardest change of all: changing ourselves'. This renewal will be brought about partly through a greater sharing of resources and giftedness resulting in our communities *merging* to form one parish, a community of communities.

Our Local Mission Plan which is rooted in *You Will Be My Witnesses* will become our 'guiding star' for the next few years. This project will afford us some wonderful opportunities to share faith and experience more powerfully renewal at a personal and parish level. Let us remember the words spoken repeatedly to us by Almighty God in the sacred scriptures: *Do not be afraid*.

I will keep you updated on the progress of our Local Mission Plan. For now, in these early days can I ask you please to pray for the success of our Local Mission Plan. Pray too for myself, brother clergy and those others who are assisting me with this work of rolling out and progressing our LMP. To quote our Shepherd Bishop Philip once again: *Pray for renewal in our Church, talk about your faith and what it means to you, give some time to serve those in need to truly be the Church beyond walls, serve in one of the many ministries on which your parish depends, welcome new people and get to know others in your local community to build the family of faith*.

Please take some time to read *You Will Be My Witnesses*. You will find the link on the diocesan website.

Happy Easter!

With my prayerful best wishes

Fr John Lee
